MCE, CS, CRE	Whole Person Development Programme(2 periods) ³	34
	Morning Assembly and Form Teacher Period (1 period)	22
	Career Development Programme ⁴	6
	Community Services ⁵	5

¹ Structured learning in AD will be provided in Drama lessons, as part of the ‘Whole Person Development Programme’. This is offered because we want to build on our existing strengths / practices. Currently, all of our students have got structured learning in drama during their junior secondary.

² Programmes for students to appreciate various art forms will be provided (e.g. music, calligraphy and media art).

³ We will design a variety of programmes to promote whole person development through developing core values and generic skills.

⁴ We aim to assist our students to plan for their own future through career development programmes focusing on opportunities for future studies and the world of work.

⁵ It has been an established practice of our school to offer community service opportunities for all our students, both in and outside school, at both junior and senior secondary levels.
